Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 03 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine with heavy showers breaking out Sunday. Misty in northeast.

This Evening and Tonight:
Showers gradually easing through this evening, although the odd shower continuing through the night. Northern Isles and parts of eastern Scotland seeing haar and a little drizzle. A warm night with light winds.

Sunday:
Warm with some bright or sunny intervals. Scattered showers breaking out during morning, some heavy and thundery in afternoon. Northeastern areas and the Northern Isles remaining rather cool and dull.

Outlook for Monday to Wednesday:
An unsettled few days with scattered heavy showers or some longer spells of rain. Low cloud may affect coastal areas at times. Warm in any sunshine.
